The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision: To mould young men and women as leaders in all walks of life so that they may serve the people, especially the poor and the oppressed of our nation in truth, justice and love. To aspire for a world that will become a globalised community, and to use the vehicle of higher education to mould men and women for others who will realise the dream of equality, liberty and fraternity that will ultimately lead to an earth that is ecologically sustainable.

The College aims at training young men and women of quality to be leaders in all walks of life, whom we hope will play a vital role in bringing about the desired changes for the betterment of the people of our country.

It fosters an atmosphere of intellectual vigor and moral rectitude in which the youth of our country may find their fulfillment and achieve greatness as eminent men and women of service.

It consistently and constantly works to form the students as Competent, Committed, Creative and Compassionate men and women for and with others.

Mission: Our mission is to provide access to excellence in academics, research and service learning to all strata of society with special attention to marginalised groups, discriminated people, and victims of social and economic disparity.

- To meet higher education needs of the community adequately through various programs.
- To identify and recruit the right kind of human resources training and motivating them for better performance continuously.
- To ensure social justice through equity and access
- To develop meaningful educational plans, compatible to the goals of the students and prepare them well for the career advancement and employment.
- To provide a stimulating environment for work, study and scholarly enquiry for students & faculty.
- To make maximum use of the resources and infrastructure
- To promote Lab to Land through outreach programmes

6.2 Does the Institution has a management Information System

Yes, the ERP system at Saldiha College takes care of the various needs of Management Information System (MIS).

a) Maintenance of records in conventional form as well as computerized for submission to university/college/government as and when asked for.

b) Displaying list of students admitted in the college notice board.

c) Student's records like admission, results and other important events and programmes, cash receiving and payment are maintained in conventional files and computerized.

d) Students are provided with their answer scripts for self-checking.

e) Regular meetings between the faculty and staff are convened to seek comments/suggestions for further improvement and to gear up the teaching learning process.

f) Installation of secured wi-fi connection in the administrative block, all the departments and Library.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The Saldiha College is affiliated to The University of Burdwan. The affiliating university has the authority to develop curriculum for the undergraduate and post-graduate studies. There is little scope of internal curricular designing. Restructuring of curriculum development is systematically implemented once in 3 years after a careful review of the curriculum in practice. Hence all departments are in the process of developing new curriculum with the following thrust:

a) New methodology wish to adopt in teaching, and avoiding methodologies wish to change,

b) More skill, career and knowledge oriented,

c) Knowledge that is relevant and modern,

d) Incorporate global vision/ global citizenship,

e) Incorporate values, personal growth in the course.

6.3.2 Teaching and Learning

The college has an objective and effective system of student evaluation through which a meaningful teaching and learning is assured.

- This enabled teaching-learning process has made students —active participants in the classroom.
- Apart from classroom interaction, the following methods are used.
  - ➢ Meaningful learning is initiated through guided teaching and guided library assignments, group discussion, seminars, debates, quiz, viva, etc.
  - ➢ Inquiry–based learning is provided through community survey, opinion polls, case study, industrial visit and fieldwork.
  - ➢ Co-operative learning is facilitated through project work, on-the-spot study, and educational forums.
  - ➢ Peer learning is promoted within and outside the class hours. Interactive white boards were installed in 2 classrooms and 3 more are being installed. LCD was purchased and installed. Student exhibition on public health was arranged

6.3.3 Examination and Evaluation

The college has been maintaining and objective system of conducting examination and evaluation. The results are published within a month's time.

- ❖ The Principal and the Heads of Department monitor the performance of the students by making an analysis after every internal test and external examination.
- ❖ The teachers make an analysis of the performance of students after every internal test and external examination in departmental meetings.
- ❖ The performance of students is analyzed in Academic Council meeting and Governing Body meetings.
- ❖ Compulsorily all answer sheets were shown to students and marks were displayed on the notice boards. Attendance was displayed on notice boards. Assignment marks were displayed on the notice board. Internal marks displayed on notice board for any correction.
- ❖ The College has printed new examination related stationary which makes assessment and totaling of marks easier. Examination cell has been constituted which is responsible for all exam related matters.

6.3.4 Research and Development

There are enough research potentials in the college with adequate infrastructure supports. The staffs are encouraged to write minor projects and major projects in consultation. Staffs are encouraged and their contributions in the form of publication of research articles are suitable acknowledged. Research is a significant activity of the college. During this academic year thirty three research papers were published in National and International and Other Journals. Seven papers were presented in National, one paper in International and two papers in State Level Seminars/Conferences. Two teachers were involved as resource person in National and State Level Seminars. One research scholar in the department of Bengali has registered for Ph.D. degree and one scholar got Ph.D. degree. Nine Books/Book Chapters have been published. Encouraged all the faculties to apply for MRP and attend seminars/conferences for presentation of their research output.

6.3.5 Library, ICT and physical infrastructure / instrumentation

The college has a well stocked central library consisting of more than 20011 approx books and is spread over an area of 300 square meters. The number of books is always on the rise as every year new books are added to the list. The library also has a pretty well stocked journal section (National & International level) and it is fully computerized with broadband internet connection and Wi-Fi facilities. Unique Library Software is being used for maintenance of Library. Data Entry (Books, Journals, Membership), Transaction (Issue, Return, Renewal and Fine Collection), Gate Entry, Generation of various Reports. Digital Library is maintained with software to upload and upgrade the various e-resources (Books, Journals, Database). There is a well-lighted reading section where the students can profitably utilize their leisure time. Besides, there exists an internal reading area for the benefit of the teachers. Moreover, provision is made for departmental seminar libraries, where reference books are kept to satisfy immediate requirement. Constituted a library committee, regular meetings of the committee were conducted for betterment.

6.3.6 Human Resource Management

> The college has a well written policy on appointment of staff, and handling grievances. The college is providing leadership and able administration to carry out various requirements of effective Human Resource Management in place.
>
> In order to revitalise the office administration and human resources, evaluation of the administrative staff was carried out. Meetings were conducted to reorganize the office for better work output and transparency. Apart from the regular duties all the staffs are members of various committees.

6.3.7 Faculty and Staff recruitment

> Recruitment was done as per UGC and Government of West Bengal guidelines. The college sent number of posts vacant and applied for creation of new teaching post. Casual staffs were recruited by its own from the local people.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

> Award for honest and sincere performance in the respective fields for both students and teachers which have influenced others for improvement.
>
> - Students award: Best Hons students from Sanskrit and English departments are awarded best students prize of the respective streams at the end of their Part-III syllabi and outcome of the of the University results.
>
> - The college students are performing well in the inter-college competition of different sporting activities such as football, volley ball and cricket. Beside these, students take part in discuss through, short-put as well as speed competition.

- Medical facilities for students and staff: A health home was established in the year 2006 for extending health care to the students and staff using a room of the guest house which has been continuing its activity. Beside this, time to time the district medical college namely Bankura Sammilani Medical College conducts health check-up for both students and staff using tools for blood related disorders by thalassemia and blood group tests.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

➢ Departmental Seminar: Departmental seminars are arranged regularly by the concerned department occasionally held in the week end by taking into account the students as regular orators when teachers talk once in a month. For the purpose a seminar routine is chalked out for different years at the start of the academic year and student admission. After about a month class seminar subjects are distributed to the students for their deliberation. Each and every deliberation is attended by the concerned teacher to guide the students for better performance in the next deliberation.

7.3 Give two Best Practices of the institution *(please see the format in the NAAC Self-study Manuals)*

- **BEST PRACTICE 1:**
  a) *College Development:* The college authority regularly monitors the need of the college and always tries to implement/upgrade the facilities. For instance, we face serious shortage of examination space during the University examination because of more and more enrolment with every coming year. Although the college is running short of fund, the authority, to circumvent the space problem has already started construction of a seminar cum examination hall on the top of Biosciences building with a magnanimous space and pace.

  b) *Problem of shortfall in the number of Teachers:* The problem has been seriously looked after and overcome with the recruitment of Guest- Lecturers according to the need of the concerned department.

- **BEST PRACTICE 2:** Promoting Sustainable Teaching-Learning Process and Research: The sustenance of this very important aspect is done by ready to help approach and extension of facilities required by the students at the time of need.

7.4 Contribution to environmental awareness / protection

> **Medicinal Plant Garden**: A botanical garden mainly with medicinal plant had been established during the month of July to September 2005, which is being continually upgraded each and every coming year. The students are regularly demonstrated these plants for their medicinal value. The students also become eager to know the qualitative aspects of these plants and often wonder about the powerful implication of the plant community.

> **Plastic use, it's effect and management**: Non-biodegradable Plastics are of common use in the developing country as is our, usually in the form of carry bags. Due to their micro-thin nature these are carried by wind to the undesired places clogging water ways such as drain, jamming cultivable land beside being non-aesthetic. The students are regularly deliberated on the management of plastic carry bags as well as their economic use. NSS volunteers and students of Environmental study always kept maintain the CAMPUS clean by removing plastics.

> **High power noiseless KIRLOSKAR generator has been arranged**.

> **Biodegradable waste management**: Biodegradable waste are kept in specific pit at the site of the campus where there is a little frequency of visit, and these on decomposition are used for mulching the garden plants of the college.

7.5 Whether environmental audit was conducted?   Yes [ ]   No [✓]

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

SWOT analysis was performed internally:

Strength:
- Qualified and experienced faculty.
- Healthy teaching and office staff relationship.
- Huge number of students.
- Healthy student teacher relationship (both present and Ex-students).
- Availability of computer and internet facility including wi-fi.
- Participation in International/National/ State Level Seminar by the faculty staff.

Weakness:
- Insufficient teaching staff and Non teaching staff.
- Location in a rural and underdeveloped area.
- Lack of sincerity among students.

- Irregular presence of the students in the class due to communication problem.
- Insufficient laboratory instruments.
- Insufficient books in Departmental library.

Opportunities:
- Job guidance opportunity.
- Higher studies.
- Research and Development.
- Health checkup.
- Huge free land for physical infrastructure development for future extension of courses and programmes.

Threat:
- To fill up vacant teaching and non-teaching posts.
- Decreased attendance of the students in the classes.
- Students and faculty suffer from transport problem.
- Introduction of new courses in rural undeveloped area.

8. **Plans of institution for next year**

- ➢ Solar light to be installed as alternative source of energy at College campus.
- ➢ OPAC, N-list Journal in library to be introduced.
- ➢ CCTV to be installed within the college premises.
- ➢ Online feedback system for students, parents and alumni to be introduced.
