About the Seminar

International women's day is celebrated on 8th March every year to commemorate the social, economic, cultural and political achievements of women. This day represents the ongoing struggle for women's equality and rights. In this seminar we want to focus on the essential issues and criteria for overall development of women. Basically, we want to show the legal aspect, which is available for safety and security of women. Main focus of this seminar is to empower women by promoting gender equality, challenging stereotypes and fostering a culture of inclusivity. By attending the seminar, participants began to challenge and change their own bases and behavior, promoting a more inclusive and equitable environments. Women participants becomes more involved with their communities, taking on leadership roles and advocating for women's rights.

Objectives of the Seminar

- To discuss the current tatus of women's rights and gender equality.
- To raise awareness about women rights, issues and challenges and to promote a better understanding of the importance of gender equality.
- To understand the rights of women from the legal perspective and it's implement in the practical field.
- To empowered women with the knowledge, skills and confidence to take leadership roles.
